OF OTHERS*

RENAISSANCE SENIORS ACADEMY

RSA began providing a “place for seniors” at Galilee South on Minnesota Avenue in Washington, DC. The academy has since relocated to the Suitland Avenue location.

RSA is a place for seniors to gather and interface with one another; a place where services and activities are provided to enhance independence and encourage continued involvement in various activities. It is a place where seniors can make new friends, learn new skills, and share their experiences. It is a place for the renewing of interests, enrichment of inner spirits, enhancement of personal dignity, and support of individual goals and needs.

“Count your age by friends,
not years. Count your life by
smiles, not tears.”
John Lennon

Renaissance Seniors Academy

Renaissance Seniors Academy (RSA)

RSA is committed to providing a warm environment where seniors gather for socialization, arts and crafts, health and fitness programs, life enrichment activities and educational services.

Speakers are invited to address the program and provide resources. Our activities are designed to support participants and encourage them to remain a vital part of their communities.

Pick-up and return transportation is provided, on a limited basis, for center activities and group outings.

Every Tuesday, members enjoy a nutritional lunch, reflections lessons, bingo, jewelry making and fellowship.

Seniors participate in seasonal celebrations and birthday acknowledgements.
