The William H. Bennett Food Pantry is a community-based program designed to supplement, improve and enhance the nutritional needs of residents living in Suitland, Coral Hills, Hillcrest Heights, Marlow Heights, Temple Hills, Oxon Hill, District Heights and other neighboring jurisdictions of Prince George's County Maryland. Through private donor funds, we are able to provide limited food items to persons living outside our immediate service area.

The food pantry receives referrals from the Prince George's County Social Services Department and other local organizations. Persons may also "self" refer.
